

Phoenixville Elementary World Languages

Welcome back!

The Phoenixville Elementary World Language Program will be offering afternoon language classes in another All-Year session. This allows for more than just an introduction to the language and adds continuity and depth to the program. Because of the Early Learning Center's proximity to the Manavon Elementary, classes could be a combination of K-5. However, students would be separated by age, if there are enough students for more than one class.
